

## 30-Day Notice of PagePilot Website Cancellation

I am hereby giving my required 30-day notice of cancellation of my PagePilot website subscription. I understand that according to our agreement Online-Access will do a final billing of my website (prorated to any of the 30 days not covered by their last billing) and that my PagePilot site will continue to be hosted by Online-Access during this time unless I request otherwise.

I also realize that certain sections in Online-Access' Terms, Restrictions and Conditions remain applicable after cancellation. These terms include reference to the copyright of material, images and content used within my PagePilot website that I did not create or add, but that was supplied by Online-Access for use during the term of my subscription. I understand that use of Online-Access' copyrighted content after cancellation takes effect constitutes copyright infringement.

If Online-Access manages my domain(s), I understand that they will cooperate in redirecting my domain's name servers (DNS) to bring my new site up. Once my new site has been reviewed and found clear of any copyright issues, as agreed, Online-Access will facilitate transfer of my domain(s). If Online-Access is hosting email using my domain, I accept it as my responsibility to arrange for email hosting to be taken over by my new provider and to ensure that all mail is collected from Online-Access' servers before my PagePilot subscription ends.

*Please review the complete terms and conditions regarding cancellation, copyright and domain transfer found at: <http://terms.online-access.com>. In addition to being agreed to at time of signup, these terms have been acknowledged each time either I or, by proxy, an agent acting on behalf of my company, has logged into my company's PagePilot account.*

**I want to KEEP the following standalone services, although cancelling my website:**

Nearby Now     Social Media     Chat w/ScheduleConnect     Email Hosting

*The above services do not require a PagePilot website to continue using – call if you have questions*

**Please return this form either by fax to (866) 920-3887  
or by email attachment to [help@pagepilot.com](mailto:help@pagepilot.com)**

Online-Access requires this form and does not accept cancellations verbally

\*If there is a discrepancy between date entered above and date Online-Access actually receives your fax response, date received by our fax supersedes.
